Product Information

- Required Products: *None*

Alice is a realistic, curvaceous lady for Genesis 8 Female. Her proportions aren't those of an airbrushed model you might see in a magazine, they're of a real woman... maybe she's that cute co-

worker or the lady next door...

Her head, body and lashes are custom sculpted and her skin was created using high resolution sources. She comes complete with an array of eye, lips, make-up, eyelash and nail varnish options that compliment her impish face and will look good in any scene.
