Product Information

- Required Products: *None*

Zara has been inspired by all the beautiful strong women in cinema and comics that have a more robust and darker skin tone. I wanted her to be model beautiful and strong enough to say who's boss.

She comes to you with a custom skin and body. She's lovely and unique. HD from top to bottom. She has a custom sculpted HD Head and 2 HD Body morphs created for the Genesis 8 Base Female shape. One is a strong, hard, muscular, warrior shape and the other is similar in proportion but a softer more generous pinup shape.

Zara has custom painted makeups- 6 makeups and lipsticks, 7 nail polishes and all-in-one presets, 3 Warrior Painted faces, and 9 dark eye colors. I understand the need for customization, so included are presets for Anatomical Elements Materials, and an alternative torso with no anatomical details for risque clothing, Bump settings for closeup and distance, and 3 intensity settings for the skin tone. Always included are custom morphed square nails and long eyelash morphs. Nothing so so important as the Eyebrows, so you get 2 ways to remove eyebrows from Zara, an LIE No Eyebrow setting which removes the brows and leaves the makeup, and a No Eyebrow Face option for when you want everything from scratch!
