Product Information

- Required Products: *None*

Going back a few years, this is Lyra and her little sister Faye in their tween/teen years! Custom skins and custom morphs, no merchant resources were used. Young Lyra uses a slightly edited skin of Lyra,

Faye uses a more strongly edited one with a different face, chest, navel, knees, feet and other small details. Various corrective morphs make sure that the young girls bend properly, including a bonus one for the foot bend to achieve a more natural ballet/dancer type of foot. Clothing fix morphs for chest, sternum, vertebrae and crotch are at your disposal for a better fit to these adolescent shapes. 4 iris colors and a preset for flushed cheeks provide some variety. Materials are Iray only.
