Product Information

- Required Products: *None*

Dana is the second character of the EcVh0 People's Series for Genesis 8 Female, with a beautifully sculpted face and body and many makeup options!

What is EcVh0 People's Series?

EcVh0 People is a series of characters, each designed to their unique look, characteristics and background, taking a different approach towards the current meaning of a “character” in Daz 3D. It focuses on the simple things that could happen with one single person in the real world, and provides options for us to create this person at this particular time of the story line such as age, body types and more!

What's Included in this Mega Set?

A stunning character with beautiful custom head, body, hand, nails and lashes morph!

A fibermesh brow with different color options

Many selections of eye colors, with extra unique irises

And many selections of makeups, nails and lipsticks including all the no brow options!
