Product Information

Nymphs are always in the shape of young maidens.

This is Naia, a beautiful sea nymph. She has some features like a mermaid but is all girl. The lovely Sea Nymph features gills and ears that are zbrush sculpted and look best in HD. With some fun water inspired makeups and lips and nymph parts to match, she can be customized to your water inspired image!

Sans her creature features, Naia is still a beautiful woman. Able to look sweet in any circumstance. A gorgeous addition to any style.
