## Product Information

- Required Products: *None*

Estelle Bee is a completely custom morphed character for your Genesis 8 and/ or 3 Females. She has a beautiful, model-like face with strong, interesting features and the most beautiful eyes. She look

beautiful smiling but have you seen her pout? Estelle does not look like all the other girls - she is perfect to be a model in your scene, or make her a strong soldier, an elf, a queen. She is a dream to render with her realistic skin which was created using high resolution photos and was made without using any merchant resources.

She knows how to pose in front of your cameras - now it's up to you to create the most wonderful images!

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
