Product Information

- Required Products: *None*

Hann Mei is a very close friend to me, who is living and working in Hong Kong. We graduated from the same university, but later we walked along different paths. She always dreams to be an actress, but the reality is what she must accept.

Now Hann Mei is doing her best to be a great mother of 2 kids and I am trying to be a better me.

This product contains Hann Mei (the figure) and a short hair specially made for her. Most of the make-up options are using the Layered Image Editor. Besides, there are 5 make up full sets. Micro adjustments are focusing and providing little changes to the character's face in order to match every scene.
