## Product Information

- Required Products: *None*

Makayla is a high-quality Character for Genesis 8 Female.

The head and body for Makayla are uniquely custom sculpted in Zbrush, and the skin was created using high-quality photo references for depth and detail.

Makayla also comes with a few extra options; she has longer custom acrylic nails as well as fibermesh eyebrows in 8 colors.

I have also included a specially raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
