Product Information

- Required Products: *None*

Sasha is a high quality Character for Genesis 8 Female.

The head and body for Sasha are uniquely custom sculpted in Zbrush, and the skin was created using high quality photo references for depth and detail.

Sasha also comes with a few extra options; she has longer custom nails as well as fibermesh eyebrows in 8 colors.

I have also included a special raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.
