Description

For G3F and G8F, Paola is a beautiful character for the two main figures of Daz Studio. Beautiful, delicate but with character, Paola, impressive when you look at her either in her version for G3 or her version for G8. With Paola you can use in your illustrations the figure you want in the version of Daz Studio you have. It works very well in the new version as well in the previous one. Don't miss the opportunity of having a beautiful girl in your Runtime!!!
