Gabrielle is a hand sculpted custom character with standard morph additions. All Diffuse, Specular, Normal and Bump Maps are HD quality for a more realistic render finish.

Inspired by the Summer festival season she has a range of soft tone, natural makeup options with floral painted detail versions included picking up on the current trend that nods to the 60's hippie movement.

IRay Spotlight included for optional use.

Thankyou for purchasing this product i hope you have fun creating beautiful renders with her.. Enjoy :P
