This is a set of 7 unique custom sculpted character morphs for head- and body (INJ files) for use with Genesis 8 Female(s). There are 14 Morphs in total to use as they are or to mix together or combine with other morphs for G8F.

No other Morphs or package required. You only need the Genesis 8 Female Base.

Note that this is only a custom Shape / Morph set. You need the Genesis 8 Female Base shape to use this set. Included is a set of Shapes/Morphs to change your Genesis 8 character into new female characters with different shapes and length. No character, hair, clothing, props or textures are included. You can use any G3F or G8F character skintextures. Also clothing for your G8F will fit the shapes automatically through the Auto-Follow system in DAZ Studio.

- What you get with this package:
- 7 unique body shape-morphs with sliders /dials (and with presets).
 - 7 unique head shape-morphs with sliders /dials (and with presets).
 - 1 Growing Breasts Adjustment morph slider (with presets).

Shape-Presets: You will find 12 full character shape Presets to apply to Genesis 8 Female(s) :
7 full character shape presets and 5 combined (mixed) head-body shapes.
1 Reset All preset, 1 Navel On /Off
1 Growing Breasts preset to Apply /Remove

Also included are individual presets to apply a head- and/or body-shape separately.
For every character is a different and unique face.

You can also use the included sliders to adjust the shape dynamically, or to mix and create even more shapes.

BONUS: 1 Group Pose (See Promo image) + 1 camera preset
You can find a folder for the Group-Poses in the same place where you find the folder with the shape-presets.
