A fully realized baby developed from the Genesis 8 Female figure, Sixus1's "The Baby" is an extensive character kit, with detailed sculpting, PBR ready texturing, fully setup for Iray out of the box, with bonus poses, expressions and diaper.

This kit is fully compatible with Genesis 8 Female and Genesis 3 Female texture/mat sets that use their default uv's. Great lengths were taken to provide an incredible degree of compatibility with other Genesis 8 Female packages, with particular attention given to the auto-adapting of clothing to this very extreme modification of shape and rigging.
