Ryan by 3-D Arena is a lovely new character for Genesis 8 Female.

Ryan contains a variety of options from L.I.E. blush, eyeliner & tattoo to varying levels of Translucency, Bump Maps & even Dual Lobe on & off.

The face/makeup options include with & without eyebrows for those who may prefer to use Fibermesh eyebrows. Because there is an included MAT to lighten her makeup & lipstick options you can expand her options even further.

As with all current 3-D Arena characters you can select the eyeliner of your choice to be applied over her makeup, you can even mix eyeliners for different looks, creating a variety of options! Ryan also includes the option to apply blush separately in different colours.

Also included are 7 Full set styles to easily apply a complete look in one "quick click". Feel free to alter to your own style!
