Charlie is a sexy, fun, fit lady for your runtime. She loves nothing more than running in the park with her dog, hiking, surfing and many other fun, exciting things to do. She's all about fitness, of body and mind!

Charlie has been custom sculpted with detail in mind. Her skin was created using high resolution resources.

Charlie comes with a large range of options, including a "no brow" face map, for use with fibermesh eyebrows (or no brows, if that's what you want!). She has make up, lips, eyes, brows and ;ashes options, all of which can be mixed and matched together or with other skins or characters, so the possibilities are endless!
