Andrea is a freckled lovely teen character and comes with 2 Age Presets: Younger Teen (default) and Older Teen. She is a versatile character and can be naughty and also very cute to match your scene in DAZ Studio. As she is custom sculpted you only need the G8F base figure for her to work. NO other morphs or package is required. You can apply the included full character preset or the separate head- and body-shape preset.

****To make her even more unique you can Apply the included Andrea Teeth Morph! And as a Bonus you can apply her own SMILE as you will find a special Andrea-Smile-Expression Morph Dial.**
