BONUS!!! Along with Joss, you also get the Joss Lingerie, a beautiful, sexy bra and panty set, along with five textures for each!!

Joss is a stuning new character for the Genesis 3 and Genesis 8 Females. She has a beautifully dusky, detailed skin, smouldering blue eyes, and curves for days. She's a real woman, and has the looks to prove it! Joss also has a small tattoo on the back of her neck, very unobtrusive, but very cool. Also included, are pubic on/off textures.

AND, as a BONUS, Joss comes to you with her own bra and panty set, along with five texture options for them!

Joss's face is custom made and requires no additional morph packs, however, you'll need the Genesis 3 and/or the Genesis 8 Female Body Morphs pack to use her body shape.

Joss's pack includes the following for both G3 and G8 :

- 1 Head INJ/REM
- 1 Body INJ/REM
- 1 Nipples INJ/REM
- 1 Full Body Iray MAT
- 1 Pubic Hair MAT
- 1 Nails Long Round INJ
- 1 Nails Long Square INJ
