Product Information

- Required Products: [Genesis 8 Female Body Morphs](#), [Genesis 8 Female Head Morphs](#), [Great Lashes for Genesis 8 Female\(s\)](#)

Andrea is a character based on Genesis 8 Female.

The product comes with Custom Shapes and Expressions blended with DAZ Head and Body Morphs. It lists the Great Lashes for Genesis 8 Female(s) product as a requirement because that product is used to change the eyelashes shape and to extend their length as shown in the promotional images; but you can still use Andrea without the Great Lashes product.

Without the Great Lashes product applied, Andrea's face is going to look exactly as shown in the promotional images except that the eyelashes are going to look different.

The package includes FiberMesh Eyebrows and beautiful Skin Textures with many options like No-Eyebrows, Painted Eyebrows (LIE) and a 2 steps Make-up method that allows you to colorize several Eyeshadows, Eyeliners and Lip Masks included with the product.

This product requires that the Genesis 8 Starter Essentials (Included free with Daz Studio) be installed.
