Product Information

- Required Products: *None*

Cute Bob hair for your Genesis 8 and Genesis 3 Female(s) is a neat and sophisticated style. This hair has ten style presets and fourteen color options optimized for both Iray and 3Delight.

The hair combines fiber hair technology together with a custom hair cap for optimal rendering and realism. You should be aware that all fiber hairs are by their nature high on memory usage and may slow down lower end systems, but once loaded the hair typically renders faster than trans-mapped hair.
