

Li'l Patch Girl HD for Genesis 8 Female

Product Name:	Li'l Patch Girl HD for Genesis 8 Female
Product ID:	57115
Published Artist(s):	Pixeluna, shadownet
Created By:	N/A
Release Date:	2018-11-30

Product Information

- Required Products: *None*

She is the first prototype of this kind of robot model. A teenage one, with all the imperfections that implies. What were the designers thinking? So many improvements needed to be done and yet so

much potential. The corporate heads who measure worth only in terms of dollars, not sense, evaluated the costs and threw her in the junk bin to be scrapped for parts and recycling.

There she lay, for years, buried in a heap, outside, weathering, corroding, forgotten. Then, her memory sparked. Maybe it was a short circuit, brought on by a recent thunderstorm. Whatever it was, she slowly woke up from her long sleep and climbed up out of that heap.

She walked, and she wandered, for days, as if in a daze. There she was, the Li'l Patch Girl. Kind of like a little orphan all alone in the world. Cast out with the garbage as if she had no worth, but it turns out she has lots of worth. And she is going to make something of herself now that she is sentient and aware.

Included is a friendly User Manual along with the tools needed to bring our Lil Patch Girl into being as well as a selection of SubD render levels you feel your system is capable of managing.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
