Release Date:	2018-12-10

Product Information

- Required Products: *None*

Finally, use your Genesis 8 Male clothing with your Genesis 3 Male characters! Automatically convert almost your entire wardrobe of clothes and many accessories using the new Clothing Converter for Genesis 3 Male! The Clothing Converter script provides batch execution for automatically converting your Genesis 8 Male clothing to Genesis 3 Male clothing in your Library. It can even convert high-heeled shoes! Easily select the wardrobe items in your Library, select an output directory, and execute the script. Even better, icons and categories are copied from your Genesis 8 Male clothing to the new Genesis 3 Male clothing items.

Your new Genesis 3 Male wardrobe is completely Smart Content aware! They will show up when you select a Genesis 3 Male. Plus, all materials shown in Smart Content for your Genesis 8 Male item will show for your converted Genesis 3 Male item. Converted clothing, instead of using Auto-Fit, produces vastly less distorted results, especially with high-heeled shoes.

The Clothing Converter script does not work with props (e.g., swords, wands, etc) and wearables (e.g., outfits). Items without metadata can be converted but will not show up in Smart Content. They may also need to be converted using a Force Convert Item(s) button. High-heeled shoes may require a manual step during conversion if the original shoes do not include a compatible foot pose.

The script may not be able to convert all clothing items without issues. Converted items may exhibit poke through. Usually, this can be fixed by adding a smoothing modifier or a push modifier.

Convert Genesis 8 Male Clothing items for use by Genesis 3 Male.

Convert Dresses, Pants, Shirts, Tunics, Shoes, etc.

Convert Accessories: Hats, Belts, Glasses, Bags, etc.

Copies icons from Genesis 8 clothing to Genesis 3 clothing for a professional look

Automatically convert your wardrobe with one operation!

Product Notes
