## Product Information

- Required Products: *None*

Part of the Woodman House collection, Woodman House: The Bedroom is a complete bedroom set with attached bathroom, hallway, and walk-in closet.

The furniture provided is light and airy and lends well to sunlit morning scenes. Over 48 separate props, some with preloaded setups, allow for many possibilities and romantic vignettes. All walls, ceilings, and floors can be hidden to allow for easier camera placement. Nine (9) camera presets are included as well, some with iray section planes for camera accessibility.

Additionally, two “preload” presets are provided: one which will populate the attached bathroom with props from Woodman House: The Bathroom (not included), and another which will fill the closet with clothing from Hang It Up Storefront and Storefront Fillers (not included).
