Product Information

- Required Products: *None*

The Poinsettia is one of the flowers we all associate with the Holidays! Used in decorations and as a festive plant around the world, its rich bracts and exotic appearance will liven up any render!

This set of eight plants and Fourteen Material presets is the perfect way to add some festive cheer or tropical charm to your scenes. Use it indoors in a pot or outside as part of a garden or tropical scene! The bundle contains both the classic red, white, and pink versions of flower color, along with two different bract shapes, and more exotic variegated flowers and foliage, along with a set of red and white flower materials with glitter!

So with some variation in your orientation and scaling along with the potentially endless color and foliage combinations, you have here, a very diverse, festive and handy set of plants!
