Details

She's cuter than a cat video, well-spoken in the international language of the meme, and a cosplay extraordinaire with a smile that could melt the armor off any opponent. As the perfect gaming partner, content streamer, or console couch confidant, Bridget is the epitome of the modern gamer girl.

Bridget breaks out of the bedroom and away from the screen to become the urban adventurer. Exploring the city and living the IRL life.

Take it to the next level. Throw in a dash of confidence, a touch of sass, more advanced and exciting cosplay options, and some anime hairstyle.
