Product Information

- Required Products: *None*

Whether you're chillin' with lizards great or small, charming snakes or wrestling crocodiles, this outfit was born to be wild.

Whimsikini is a new series that introduces bikini styled outfits, with a fantastical twist. They capitalize on the "Glamazon" styled bikini's of Frazetta and Vallejo renown. Pair it with a temple.... and a sword ;)

Primal Scream is the first edition, and is a jungle themed bikini with beads and dangling teeth, making it the perfect garb for jungle, prehistoric, tribal or other fantasy type scenes with dragons, cats and more. Shut the teeth off, and you have a lovely beaded bikini you could absolutely use in beach and pool scenes, as well. You can also shut the beads off too, for a strappy, sexy look.

The bikini itself gives optimal coverage, for a more wholesome look. But it will also go more scanty via morphs, if you prefer that look. It also comes with an optional skirt, which transforms it into more of an outfit than just a bikini (or a bikini's sarong - you decide!) You can also pair the top/bottoms with other clothing, like pants, to kitbash a unique and sexy outfit with some tribal punch. In addition, it has strappy sandals and arms, to complete the look (and as these are their own conformers, they are also optional)

This set also has dForce power! The skirt is setup for dForce to get that perfect dynamic look... but if you would rather pose it, you can do that too, for windblowing power! It has 4 bones for posing the skirt and the skirt's ties at the side and blowing it about. It also has leg bend morphs that are created from dforce simulations (giving you the look without the wait) Aside from the skirt itself, the ties on the Top, Arms and Sandals also pose (and all the supported Daz figure morphs have the rig on everything adjusted for them, for smooth and perfect joint transitioning, no matter how extreme the morph)

Also included are 8 materials in many colors, which are reptilian in nature, giving it a look that can be paired with their respective reptiles, or even dragons. The materials on the skirt are tattered out, giving a suitable worn out look for a queen of the jungle. And as always, both Iray and 3Delight materials are included.
