Product Information

- Required Products: [Tasha 8](#)

Viollet is a high-quality Character for Genesis 8 Female.

The head and body for Violet are uniquely custom sculpted in Zbrush, and the skin was created using high-quality photo references for depth and detail.

Violet also comes with a few extra options; she has longer custom mails as well as fibermesh eyebrows in 6 colors. She also with a Vampire Alter ego Option, giving her a paler more translucent skin as well as Fangs.

I have also included a specially raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.
