Product Information

- Required Products: *None*

The Hightop Chucks Sneakers are a nod to yesteryear and these are for both the Genesis 8 Male and Female figures! This set also comes with some Socks that are beautifully sagging around the top of

the sneakers, can sagging and beautiful be said in the same sentence? These can!!

All kidding aside, this set works perfectly in so many ways: kids, teens, contemporary or hipsters. Pop these into a scene completely out of place like sci-fi, grunge, or military...and they work great! As you can see from the beautifully supplied renders.

This set comes with an awesome collection of materials: black, red, green, and pink with a couple of twists...stars and skulls placed over all of the colors, providing you with a lot of different options. Hightop Chucks Sneakers are a great wrinkle to just an average render...they make it totally cool!
