Product Information

Caprice Hair is a high quality hair package for Genesis 3 and Genesis 8 Female(s). The 3D mesh is made of lots of hairstrands of different sizes for real-world volume and dynamic looks. The custom

hairshader adds the special touch of realism to your renders, with its light-reactive features such as subsurface scattering and realistic glossiness. Additionally the shader has been build to be recolored with the popular Hairblending feature. You are able to mix two haircolors with gradients, strands and other creative alpha masks and set the strength of the alpha masks for thousands of unique looks without hassle or scripting. All options are available as one-click material presets.

All options are optimized for Daz Studio Iray.
