

Zephyr HD for Tasha 8

Product Name:	Zephyr HD for Tasha 8
Product ID:	58319
Published Artist(s):	Daz Originals
Created By:	Emrys
Release Date:	2019-02-05

Product Information

- Required Products: [Tasha 8](#)

Zephyr is a high-quality Character for Genesis 8 Female.

The head and body for Zephyr are uniquely custom sculpted in Zbrush, and the skin was created using high-quality photo references for depth and detail.

Zephyr also comes with a few extra options; she has longer custom nails as well as fibermesh eyebrows in 6 colors. She also with a Demonic Alter ego Option, adding demonic glow and a black sclera to her eyes as well as a completely remodelled head shape. The head shape applies her ears and fangs, however both can be dialed in separately.

I have also included a special raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
