dForce Cozy At Home Outfit for Genesis 8 Female(s) is a fully customizable and dForce compatible outfit that you can use as a conforming one, or as a dForce one. It is completely rigged so it will work either way.

This outfit includes a tee shirt dress, three versions of a heart-shaped pillow (left hand, right hand, and centered in body, also usable as a prop), three versions of a mug (standalone, left and right hand), and socks with pom poms. It also includes hands and feet poses, and 10 poses for Genesis 8 and all the outfit, and lots of materials that allow you to get countless different looks! A must have for your Genesis 8 Females!

Depending on the material preset combination you use, you can make the t shirt dress look very different. There are full printed and plain material presets and partials for the sleeves, and partials for the borders. Using them you can build your own look. Some will look cozy and perfect for home renders, others may look like a casual dress to wear in the street. In combination with other outfit pieces, the dress alone may look formal, elegant, casual or simply cozy. It also has style morphs to make it shorter or longer, straight cut, and others. The socks have full material presets and partials for the borders or the pom poms. The pom poms can also be hidden. There are morphs to swing the pom poms slightly or provide some movement for animations. A feet pose is included. The heart pillow has bones in arms and fingers, and there are pose control dials for easy posing, and two morphs that are used to deform the sides part in hugging poses. You can choose pink or red plain material preset, or one of several faces.

The mug has 16 material presets, 8 plain colors and 8 printed, and includes hand poses for both hands.

The 10 poses included will help you to build scenes faster, holding the different pieces of the outfit. There are poses for the mug, the mug and the pillow, and the pillow alone.

This product also contains a tutorial for Introduction to dForce in pdf that is loadable from its icon inside Daz Studio. Supported Genesis 8 Female shapes: Aiko 8, The Girl 8, Teen Josie 8, Zelara 8, and Victoria 8. Other body morphs supported by Auto-follow.

The dress and socks work with all the Genesis 8 Body Morphs, as all of them have been included when needed, which means full freedom to use any of those morphs in your renders.
