## Product Information

- Required Products: *None*

Retro Hero hair is an old-school realistic style for your Genesis 8 and Genesis 3 Male(s) and Female(s).

This hair comes with six styles presets and twelve color options optimized for both Iray and 3Delight. This hair combines fiber hair technology together with a custom hair cap for optimal rendering and realism.

Cap fits are included for all of the current Genesis 3 and Genesis 8 Male and Female characters.

Some other characters are supported by autofollow and the adjustment morphs included in the hair cap.

You should be aware that all fiber hairs are by their nature high on memory usage and may slow down lower end systems, but once loaded the hair typically renders faster than trans-mapped hair.

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
