<b>Product Name:</b>	<a href="#">Ms SWOLE for Genesis 8 Female</a>
<b>Product ID:</b>	58401
<b>Published Artist(s):</b>	<a href="#">SimonWM</a>
<b>Created By:</b>	N/A
<b>Release Date:</b>	2019-01-29

## Product Information

- Required Products: [Genesis 8 Female Body Morphs](#)

Genesis 8 Female has almost every type of morph available, she can be everything but a big bone muscle-bound lady. Not every woman is made with Barbie doll neck, wrists and knees, sometimes you

need a Valkyrie in your story, a giantess, an amazon or a female orc. Even if it is to add some thickness to your female in the right places, Ms. Swole will be right there to help you get your swole proportions right. With an option to adjust body thickness and trapezius thickness it lets you adapt other figures with greater control until you have found the desired shape your swole female character needs. As an extra this character morph includes several stomach morphs that help with flexing, stomach vacuum and breathing animations or still images.

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

[ ] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
