Product Information

- Required Products: *None*

Taryn is a high quality Character for Genesis 8 Female.

The head and body for Taryn are uniquely custom sculpted in Zbrush, and the skin was created using high quality photo references for depth and detail.

Taryn also comes with a few extra options; she has longer custom nails as well as fibermesh eyebrows in 8 colors. She also comes with a tan-line option.

I have also included a special raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.
