Karl is a high-quality Character for Genesis 8 Male.

The head and body for Karl are uniquely custom sculpted in Zbrush, and the skin was created using high quality photo references for depth and detail.

Karl also comes with fibermesh eyebrows, sideburns, and a chest hair that have very realistic color options. All have a wilder wolf option that can be dialed into your desired length, giving you many variants on the transformational look. He also comes with custom sculpted wolf ears.

Furthermore, Karl also comes with a wolf claw option that can be applied separately and was created using photo references.
