## Product Information

- Required Products: *None*

Danior is that roaming, roguish, sometimes quirky, oddball type of character that can probably slide into just about any situation (render) and get away with it. From Sci-Fi, Fantasy, to Modern themes he

can squeeze into just about anything you toss at him.

His shaping presets require no additional morph packs to work; however, the Bonus Muscular Morph Dial Preset requires xenic101's Musculature HD Morphs for Genesis 8 Male to work.

Anatomical Elements included.

Materials are Iray only.

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

[ ] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
