Product Information

- Required Products: *None*

EJ Brenda Deluxe Pack includes a gorgeous and detailed character, a metallic shine bikini (you can hide the top or lower part or show it all), and 10 expressions to show her personality. It's a complete

ready-to-render must have set, that can be used to make new scenes, and she will also look great with any clothing and in every situation. This pack has the following features:

- **TEXTURE AND MORPH DETAIL:** EJ Brenda includes a digitally sculpted in Zbrush head and face morph, a highly detailed skin, and a custom morph of extra body features like the folks of the knee bones and elbows, neck, and others.
- **BLUSH:** She includes a shader-based natural blush, that can look great with any of the 10 included expressions. The blush can be applied or removed in any moment, and combined with any skin tone or makeup.
- **SKIN TONES:** Skin tones are useful to show her in different moments of the year, or being from different ethnicity, or in different moments of her life: natural white skin, tanned white skin, rosy skin, or tanned rosy skin.
- **MAKEUPS AND TATTOOS:** She has varied makeup, nails (that look great with her two custom sculpted long nail morphs), and lip options, so you can depict her in very different ways, to look like very different women. If you want tattoos, she has them in her chest-shoulder, in the abdomen, and in the left arm, that can be used independently or all together.
- **VARIED EYE COLORS** You have 10 eye colors to choose, including eyes with white irises. With them, you can adjust the eyes of the character to any female concept, depending on her ethnicity and hair color. There are three eyelashes to choose, two dark and another one that is colored in White, which you can also change its color to get fantasy options for some characters.
- **ANATOMICAL ELEMENTS:** If you own the Anatomical Elements of Genesis 8 Female, EJ Brenda includes two material presets for them, with or without body hair. If you don't, there is a custom morph that simulates them over Genesis 8 Female.
- **BIKINI:** This pack includes a metallic shine bikini with 8 different fabrics, both for Iray and 3Delight that you can use in lots of renders. There is a Hide Top and a Hide Bottom button in case you want to mix it with other clothing, or show only the top or lower part. The clothing includes style morphs to make the front or bottom part back narrower or wider, and also to show more or less cleavage in the top part. The clothing has been rigged to follow poses in almost all possible situations automatically, including sitting or lying on the ground.
- **EXPRESSIONS:** EJ Brenda includes 10 full face expressions, that can be applied with icons and using Pose Control Dials. You can also mix and match the full face expressions applied with the icons with the dials, to change them as you wish.
