Additional Details

- Some shapes may need adjusting around the neck, so please use the ExpandNeck morph on the suit if needed. The holster are rigid conforming props with automatic shape fits, however when the thigh twists you may need to adjust the position manually for better results, so keep that in mind when posing. There are Hierarchical Pose Presets for The Brute 8 so use them on the gun grips when needed, and apply the Genesis 8 Male poses when going back to normal shapes.
