

RSSY Clothing Converter from Michael 4 to Genesis 8 Male

Product Name:	RSSY Clothing Converter from Michael 4 to Genesis 8 Male
Product ID:	58887
Published Artist(s):	RiverSoft Art , Sickleyield
Created By:	N/A
Release Date:	2019-02-21

Product Information

- Required Products: *None*

RiverSoft Art and Sickleyield are proud to present the RSSY Clothing Converter from Michael 4 (M4) to Genesis 8 Male! Finally, use your Michael 4 clothing with your Genesis 8 Male characters! Convert almost your entire wardrobe of clothes and many accessories using the new Clothing Converter from M4 to Genesis 8 Male! The Clothing Converter scripts provide batch execution for converting your Michael 4 clothing to Genesis 8 Male clothing in your library! The RSSY Clothing Converter from Michael 4 to Genesis 8 Male has been carefully crafted to handle the different rigging and shapes between Michael 4 and Genesis 8 Male, even adding special rigs for loincloths, capes and a special dress/tunic rig that adds pose bones to avoid that “sticking to the legs” effect.

The Clothing Converter script provides batch execution for converting your Michael 4 clothing to Genesis 8 Male clothing in your Library. Easily select the wardrobe items in your Library, select an output directory and execute the script. Even better, icons and categories are copied from your Michael 4 clothing to the new Genesis 8 Male clothing items. **IMPORTANT:** Due to a limitation in the Daz Studio scripting interface, this script requires a manual step when converting each clothing item. A dialogue will pop up during conversion and it's as easy as two button clicks! Your new Genesis 8 Male wardrobe is completely Smart Content aware! They will show up when you select a Genesis 8 Male. Plus, all materials shown in Smart Content for your Michael 4 item will show for your converted Genesis 8 Male item. Converted clothing, instead of using Auto-Fit, produces vastly less distorted results, especially with high-heels!

The Clothing Converter script does not work with props (e.g., swords, wands, etc) and wearables (e.g., outfits). Items without metadata can be converted but will not show up in Smart Content. They may also need to be converted using a Force Convert Item(s) button. It may also not work as well with high-heeled shoes because of problems with positioning the feet without turning on the Use Foot Dialog option during conversion.

Convert Michael 4 Clothing items for use by Genesis 8 Male

Convert Dresses/Tunics, Pants, Shirts, Skirts, Shoes, Loincloths, Capes, Coats etc.

Copies icons from Michael 4 clothing to Genesis 8 Male clothing for a professional look.

Automatically convert your entire wardrobe with one operation!

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

[] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.

RSSY Clothing Converter from Michael 4 to Genesis 8 Male (Core)

- You can find new icons for loading this product in the following DAZ Studio Folders:
 - "Scripts:RiverSoft Art:Clothing Converter"
