Product Information

- Required Products: [Kala 8](#)

Rana is a high quality Character for Genesis 8 Female.

The head and body for Rana are uniquely custom sculpted in Zbrush, and the skin was created using high quality photo references for depth and detail.

Rana also comes with a few extra options; she has longer custom nails as well as fibermesh eyebrows in 8 colors. Further more she also has some Henna and Bindo options, that apply via L.I.E. so can be used for every Genesis 8 Female character.

I have also included a specially raised cornea morph that allows the light to reflect her eyes more accurately in renders, giving you more alluring and sexy renders.
