Product Name:	FSL Ultimate Layered Shimmer Makeups
Product ID:	59445
Published Artist(s):	Fuseling , Sickleyield
Created By:	N/A
Release Date:	2019-03-22

Product Information

- Required Products: *None*

The Fuseling Ultimate Layered Shimmer Makeups is a set of layered image editor presets designed for use with many Genesis 3 Female and Genesis 8 Female characters. This gives you a set of 100 each

eye shadow and blush, 120 eye liner presets, 60 lipsticks, and 70 lip overlay presets that can be mixed, matched, and layered together for thousands of possible looks. In addition, there are a broad variety of shimmer presets that use Daz Studio Iray's Metallic Flakes settings to layer shimmery sparkles over the included makeups, bare skin, or other makeups. These include 72 Shimmer Blushes, 30 Lips Shimmer Bases, 32 Lips Shimmer Overlays, and 60 each Shimmer Eyeshadows and Eyeliners

This comprehensive set also includes a wide array of one-click complete makeups designed using the included eye shadows, blushes, eye liners, lip sticks, and lip overlays. This gives you 50 each full realistic makeups and fantasy makeups to choose from.

The included makeups range from simple to dramatic and from realistic to fantasy, so you can add different facial looks to a broad range of characters.

On top of the Layered Image Presets, this set also includes 100 False Eyelashes Materials and 60 Sparkle False Eyelashes Materials for Genesis 8 Female's Eyelashes.

The Ultra Layered makeups can be used with any Genesis 8 Female character skin and with many Genesis 3 Female character skin including any skin of the Genesis 3 Female base UV map or the Victoria 7 UV map. It can also be used with the Mei Lin 7, Monique 7, Kalea 7, Valoria, Gia 7 skins and more.

NOTE: The makeups will not work properly with skins that use metallic flakes in their base settings, including Sicklefuse Beautiful Skins Iray for Genesis 8. The makeups will appear differently on different skins, and the extent to which they are visible and bold is effected by the translucency and specularly of the skin with which they are paired.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
