Product Information

- Required Products: *None*

Small World Baby Locks Hair for Genesis 8 and Genesis 3 Male(s) and Female(s) is a versatile short realistic style that will suit babies and adults alike. This hair comes with seven style presets and five color options optimized for both Iray and 3Delight.

This hair combines fiberhair technology together with a custom hair cap for optimal rendering and realism.

Cap fits are included for all of the current Genesis 3 and Genesis 8 Male and Female and characters. Other characters are supported by autofollow and the adjustment morphs included in the hair cap.

You should be aware that all fiberhairs are by their nature high on memory usage and may slow down lower end systems, but once loaded the hair typically renders faster than trans-mapped hair.
