Product Information

- Required Products: *None*

“Acting skills for Genesis 8 Female(s)” (in two parts) are the many-sided and high-quality product including 140 new morphs of emotions for your heroine. No, this product is not the next simple set of

combinations of basic expressions. It is the extensive library consisting only from the original morphs, earlier not existing.

In the first part of a product 70 morphs in such categories are introduced:

- Amazement Delight
- Closing of eyes Dream
- Cruelty Rage Obstinacy
- Hysterical sobbing Pain Grief
- Joy Open Smile
- Surprise Horror

The first part of a product "Acting skills" also included three masks of mimes executed on Daz Studio Layered Image Editor technology (L.I.E.). They are developed for use in Iray and 3Delight renders.

It is necessary to pay attention also to the following nuance. In the second part of a product "Acting skills", along with new fifty morphs of emotions are 20 additional HD-morphs which add the blown-up veins on a neck, on temples and on a forehead, wrinkles and folds. It will help you to reach the maximum realism of a mimicry of your heroine. These tremendous additional opportunities will be useful to you to work with morphs of emotions from the first part of a product.

And finally council not as advertizing. The product "Acting skills" was created by me in parallel with a product "Alternative Jaws and Teeth for Genesis 8 Female(s)". I permanently tested these products with each other on different representatives of the Genesis 8 Female family. Look narrowly at vibrant opportunities of their sharing.
