Product Information

- Required Products: *None*

Jackie Hair for Genesis 8 Female is an extremely customizable hair with lots of possible looks: with pillbox hat and veil, with hat only, or without hat. Without hat it's a very sexy medium length hair,

practical and messy, that will always look great. With the hat, you can get a more formal and appealing look for all kinds of situations. In addition, the many materials included for the hair, hat and veil can give you such a diversity of options that this hair will look fantastic in any character concept, time, or genre.

Modeled and shaded with the most efficient techniques to look complex and beautiful, and render in optimal time. It also has NVIDIA Iray shaders optimized for natural looking hair no matter what lighting you choose to use.

MATERIAL FEATURES: The hair has 20 Classic hair dyes that go from natural colors to fashionable colored dyes, 10 sophisticated Two Toned dyes, and 10 Highlighted Dyes, making possible to match the look of any character concept. There are also 10 materials for the fabric of the full hat, and 10 partial materials for the veil. In addition, the full hat, the bow, the full veil or the veil border can be hidden or shown using the material presets. You can hide them all or each one of them as you wish. The hat can be hidden or shown using a button in the Hat category or through the show/hide icons. Iray and 3Dlight materials are included.

MORPHING FEATURES: The hair also includes 102 custom morphs, in these 16 categories: Adjust Face, Adjust Head, Adjust Shoulders, All Back, Bangs, Ear Tuck, Elf Ears, Global Styles, Hairline, Hat, Length, Move, Move Ends, Volume, Wind Full, and Wind Partial. With them you can make the veil shorter or longer, make it minimal, lift it as if being hold, make the hair longer or shorter, add or remove the hat, put it all back in both sides, tuck the other ear or untuck the hair on the left ear, set the hairline higher or lower, adjust it to elven ears, give more volume or shrink it, move it with wind in all directions, apply one of the Global Styles for quick looks, and much more.

COMPATIBILITY FEATURES: Works with all the Genesis 8 Female Head and Body Morphs, as all of them have been included when needed, which means full freedom to use any of those morphs in your creations. In addition, we have adjusted the rigging features as much as possible, so it will also work great with custom head morph shapes. If you need some more adjustment, you have morphs for that too both for face and body. Included Genesis 8 Female(s) shapes of Aiko 8, Teen Josie 8, The Girl 8, Victoria 8, and Zelara 8. Other shapes supported by auto-follow. If you need some more adjustment, you have morphs for that too.
