

CC Circe for Zelara 8

Product Name:	CC Circe for Zelara 8
Product ID:	60173
Published Artist(s):	ChangelingChick
Created By:	N/A
Release Date:	2019-04-14

Product Information

- Required Products: [Zelara 8](#)

Even aliens have their demons...

CC Circe for Zelara 8 is an HD character with several charming aspects. Alien, devil, demon or fiend, she comes with a selection of custom morphs for the ears, eyes, fangs, and fingernails. She comes with custom fibermesh body hair for the anatomical elements, brows, and eyelashes (all compatible with CC Beard Boss and CC Shave This materials).

Circe comes with 4 base skins- human, icy devil, fiery demon and shadow fiend. She can sport 15 base eye colors and 3 more alien eyes including glowing and full black. She also has 7 makeup options, including subtle, dramatic, alien and tribal, and 1 ear black option. For your convenience, there are 16 color and shimmer color presets for the makeups. Aside from her natural lips, she has 10 colors she can wear either in full, soft or kiss style, as well as 4 gloss options, 4 smoothness options, 2 shimmer options, 2 color blend options and 5 coverage options. Her fingernails and toenails have color, shine and shimmer options matching her lips.

Circe also comes with her own horns with 7 material options. Zelara's spine has custom HD detailing as well and materials to match the horns. As a bonus, lip, fingernail and toenail materials matching the horns and spine are also included for a truly alien appearance.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

[] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
