

Loose Pigtails Hair for Genesis 3 and 8 Female(s)

Product Name:	Loose Pigtails Hair for Genesis 3 and 8 Female(s)
Product ID:	60301
Published Artist(s):	outoftouch
Created By:	N/A
Release Date:	2019-04-27

Product Information

- Required Products: *None*

Loose Pigtailed Hair is a high-quality hair package for Genesis 3 and Genesis 8 Female(s).

The 3D mesh is made of lots of hair strands of different sizes for real-world volume and dynamic looks. The custom hair shader adds the special touch of realism to your renders, with its light-reactive features such as subsurface scattering and realistic glossiness. Additionally, the shader has been build to be recolored with the popular Hairblending feature. You are able to mix two hair colors with gradients, strands, and other creative alpha masks and set the strength of the alpha masks for thousands of unique looks without hassle or scripting. All options are available as one-click material presets.

Moving the tails is easy. They come as separate bones for moving the lower part. Movement of the upper tail parts has been set up with high-quality morphs and ERC dials for smooth movement. The included BLOW wind dials have been carefully crafted using the ERC dials for flawless and smooth movement in every value between 0 and 100. This also makes it easy to mix all BLOW dials to create your own wind. Or simply make use of the BLOW buttons for a one-click wind solution.

Additionally, you will get a set of high-quality styling morphs with STYLE presets as dials and STYLE buttons. options are optimized for Daz Studio Iray.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
