| <b>Created By:</b>          | N/A                                                      |
| <b>Release Date:</b>        | 2019-04-25                                               |

## Product Information

- Required Products: [Tika 8](#)

Sonnet is a very talented but mischievous elf. She plays her living harp so well, the animals come and listen to the wonderful tunes.

She will be a valuable addition to your runtimes!

She also comes with a Bonus prop, her Living Harp!

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

[ ] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
