Product Name:	Fit Control for Genesis 3 Female(s)
Product ID:	23325
Published Artist(s):	Discobob , Zev0
Created By:	N/A
Release Date:	2015-11-13

Product Information

- Required Products: *None*

Don't just give your figure clothing, give them ones with Fit Control. Ever wish your clothing could just do that little bit more? Fit Control is a set of universal morphs designed to give your figure's clothes

added functionality and also aims to reduce that shrink-wrapped effect and poke through once fitted onto your figure. Load clothing from a different gender, or even ones made for older generation figures, Fit Control works with them all.

Using a powerful script, it adds morphs to any clothing, be it one or multiple sets. The Fit Control morph values are also independent from each other meaning the same morph can have a different value on another clothing item resulting in more dynamic control. It also contains movement morphs for underwear type clothing, some of which can also be applied to other clothing types as well.

Product Notes

Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier \(WIP\)](#), which is used as a key to indicate something about the contents of that package.

- 1 Core ¹⁾

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.

Fit Control for Genesis 3 Female(s) (Core)

- You can find new icons for loading this product in the following DAZ Studio Folders:
 - "People:Genesis 3 Female:Clothing:Fit Control"
- You can find new icons for this product in the following DAZ Studio Categories:
 - "Poses:Other:Reset"
 - "Poses:Wardrobe"
 - "Shaping:Apply"
 - "Shaping:Remove"
