## Details

Zelara 8 is a new and exciting character with assets never seen before. As a human she is a natural beauty. Turn on her extra features and she becomes a goddess from another world. Her exoskeletal spine and alien skin designs can be turned on or off. She is two characters in one amazing figure!

Zelara 8 comes in both a human and an alien version. When using the included alien skins or spine, Her render subD level should be set to 4 to take full advantage of the included HD morphs.

Key advancements with the Genesis 8-based Zelara 8 include:
